Overview:

Cancer Research 2027 stands as one of the largest and most influential global gatherings for cancer professionals, including Oncologists, Surgical Oncologists, Radiation Oncologists, Medical Oncologists, Cancer Researchers, Immunologists, Pathologists, Oncology Nurses, Cancer Care Specialists, Healthcare Administrators, and Patient Advocates. Guided by the theme "Empowering Survivors: Advocacy, Education, and Community Engagement in Cancer Care," Cancer Research 2027 aims to strengthen multidisciplinary efforts to improve patient outcomes, support survivorship, and promote holistic, community-centered cancer care worldwide.

Call for Papers

Participants are invited to share their research and findings by submitting abstracts for consideration in the scientific sessions. A standardized template for submissions can be found on the "Abstract Submission" page of the conference website. All accepted abstracts will be featured in the extended abstract book, which will be accessible online and distributed at the conference.
